→ GARDEN Working Bee 3 to 5pm

Friday 5 December
→ MHS Drama Performance - session 2

Tuesday 9 December
→ Year 6 Farewell at Brunswick Heads Bowls Club

Wednesday 10 December
→ Gold Medallion celebration
→ P&C Meeting

Friday 12 December
→ End of Year Assembly and Thank You Morning Tea for all our volunteers.
From the Principal’s Desk

Dear Parents/Carer,

It has been wonderful to sit down with a number of different students and their families to focus on providing individual support in a range of ways across our school. Our dedicated teachers do a fabulous job of personalising the learning that happens every day in their classrooms.

As always I would encourage parents to touch base with your child’s teacher to discuss their learning or to check out our school website to see the wonderful things that are happening across our school.

Some of our Year 6 students and all of Year 5 have enjoyed special orientation sessions at Mullumbimby High School this week. It is great for our students to be involved in transition activities with our local high school to enable a smooth transition from Year 6 to Year 7. One of the activities that Ben R found useful was the Question and Answer session with current Year 7 students.

Our final SRC cake stall was held on Thursday, with Stage 2 students and parents providing delicious treats and goodies. Our students have really enjoyed this special SRC fundraiser and the SRC students have done a great job helping Miss Clowes in the canteen. Miss Clowes is gearing up for the SRC Tennis competition which kicks off next Monday 24th November.

I would remind all students wishing to be involved to ensure that they have their name recorded for involvement in the event, when registrations open. It should be lots of fun for athletes and spectators!

Thank you to Patrick C from 1/2K for visiting me this week to show me his growth in his reading ability. It is great to see our students using a range of strategies to make meaning from text and to engage in a love of reading! Congratulations Patrick on a fine effort.

Next week our Year 6 students will be heading off on their Major Excursion to Sydney. Our students and staff are extremely excited and will enjoy a range of different experiences whilst away.

Thank you to Mrs Currie, Mr Trotter and Andrea for their organisation of this amazing excursion. We look forward to seeing all of the photos and hearing about all of the exciting adventures when you return!

Hi all,

It has been a very busy term and our SRC have been working hard. With cake stalls, fruit salad and other fund raising ventures we currently have nearly $700 raised.

The Est1/St1 Cake stall was a great success. We managed to keep the SRC very busy selling all of the wonderful treats sent in to sell by our fantastic families. Stage 3 did a brilliant job of baking and supplying our stall with lots of wares to sell last week. A big thank you to all those families who got on board and donated their time and treats to sell.

Today the final Cake Stall was run by Stage 2 students.

In weeks 8 & 9, the SRC’s final project for 2014 will be to run a tennis rally comp at lunch-time for all students to have fun and participate in. Look out for further details in coming newsletters. Registration will take place in Week 7 during lunch.

As Marie Antoinette once said, “Let them eat cake!” Miss J. Clowes - SRC Coordinator

WHAT’S COMING UP?

On Friday of next week 28 November all Kindergarten to Year 2 students are going to Sea World. They will be attending the “Hear Me, See Me, Smell Me” education session as part of learning about water and marine environments.

Permission/Information notes have gone home for these excursions - make sure you have returned yours to be able to go. Pack lunches, drink and put on sunscreen.

On Tuesday (25 Nov) afternoon Year 6 are off to Sydney for a fantastic excursion filled with activities, shows and more. Make sure you pack one backpack and one case as described on your information sheet. They return in the wee hours of Sunday morning. Have a wonderful time.

Ten Seat Project

A community-driven project to beautify Tweed Street has been underway. One of the components of the Masterplan is the Ten Seat Project, an innovative project with seats installed along the length of Tweed St. Each of the seats represents an aspect of Brunswick’s history and culture.

Our students get to help with the 2nd seat. It will be a Flora & Fauna mosaic S shaped bench seat. Pauline Ross is a local mosaicist living in Brunswick Heads. Pauline will facilitate the hands on mosaic activity with BHPS children during a series of workshops during week 9.

Parents are most welcome to come along and help with the workshops and join in.

We are asking for donations of - CERAMICS.

Plates and tiles would be great. The blues and greens especially will be very helpful. Please bring any donations to the office of the school.

EXCURSIONS

Yr 3/4 & 4/5 are off to the Tweed River Art Gallery next Wednesday 26 November. The display “In-Habit: Project Another Country” (pictured above) ties in with their current unit “The Lost Thing” by Shaun Tan. This will be followed by a fun afternoon of roller skating at Epic Skate Centre Tweed Heads. Dress appropriately!

PB4L FOCUS THIS WEEK IS

Be Safe, Be Sunsmart

THIS WEEK’S WRAP UP

Be Safe, Be Sunsmart

Hi all,

It has been a very busy term and our SRC have been working hard. With cake stalls, fruit salad and other fund raising ventures we currently have nearly $700 raised.

Mullum Music Festival - Singing Workshop for Families - Peter Lehner

Designed to encourage children and parents to sing together. Peter will teach a song written by the Gamilaraay children of Lightning Ridges. It is the dreamtime story of the creation of an opal called Balaa Balas. This workshop will enable the participants to perform at the Biggest Little Town Choirs performance straight after the workshop.
