This week the assembly will be hosted by 4/5A - Miss McMahon
Everyone is invited to attend - Friday 10am

September 2014: Mini-Beasts

Our mini-beasts are now finished and on display. Every mini-beast has its own description including a specimen name, specimen number, size, diet and habitat. A big thank-you to Cath for all her creative thinking, preparation and time to help us with these!

We had so much fun creating them!

MORE ON THE WEBSITE - SCHOOL YEARS TAB AND THEN CLASS
From the Principal’s Desk

Our students have enjoyed a wonderful visit from Nicole and the Life Education van this week. On Monday Healthy Harold visited our Kindergarten and Year one classrooms for a quick chat and photos. The smiles on the student’s faces when he popped his head around the door were priceless! Students have been engaged in a range of age-appropriate programs that align to the PD/H/PE and Science & Technology syllabus, with games, activities, questions and videos to extend their knowledge in a range of health-related areas.

We have welcomed our first-year Southern Cross University practicum students to our school this week. They have been doing a fabulous job in practising their teaching skills within our classrooms in delivering mini-lessons, under the support and guidance of Mrs Currie, Mrs Cook and Miss Patterson. We wish them all the best in their future studies!

Kindergarten Orientation continued this week with our pre-schoolers learning about shapes and developing new friendships under the outstanding support of their teacher, Miss Ponweiser. Next Wednesday they will visit again from 9:30-11am and will be involved in a range of creative craft activities. If you are considering enrolling your child in Kindergarten at Brunswick Heads PS in 2015, I would strongly encourage you to bring your child along to these excellent orientation sessions, where they can develop new friendships, learn about their class and how it operates and have a wonderful time in the process!

Congratulations to three students from our wonderful school who have won a prize in the Future Faces Portrait competition. Their art will be framed & displayed and will receive a prize at the Gallery opening on Sunday 19 October. These students included: Adam G (Highly Commended 8-10 year old); Grace W (Commended 11-13 year old); and, Ayla A-W (Friends Encouragement Award).

There were hundreds of pieces of art submitted from the Northern Rivers, and to have 3 from our school to be framed and displayed in the final 40 is a wonderful achievement.

In keeping up-to-date with quality professional learning, we have a range of staff members who will be involved in quality training and development over the next two weeks, including Golf, new Science & Technology Syllabus and Microsoft Excel. Our love of and commitment to learning is led by staff at our school and we look forward to these skills being shared amongst our school and learning community.

I hope everyone enjoys a relaxing weekend and is looking forward to a productive last week of Term 3!

PB4L FOCUS THIS WEEK IS

Be Safe - Name It

THIS WEEK’S WRAP UP

Kindergarten Orientation Program

Our transition program is progressing along very well with some of our Kinder 2015 students travelling by bus with Mrs Parker from the preschool to “Big School”. It has been very exciting for them.

Faces... and art of the future!

Our entire school student body each entered a piece of artwork in the Faces From The Future Les Peterkin Portrait Prize at the beginning of the term. Results have arrived and 3 students from BHPS have made the exclusive 40 framed prize winning works:

Adam G (Highly Commended 8-10 year old)
Grace W (Commended 11-13 year old)
Ayla A-W (Friends Encouragement Award)

200 more artwork have been chosen to be in display in halls, and Oscar, Bridgette, Kayla, Jayden, Payten, Cameron & Ace have been chosen from our school.

Hundreds of entries were received from schools around the shire, so this result is extremely impressive!

Visit the works at the Tweed Gallery between Friday 17 October - Sunday 14 December 2014

Brunswick Nippers Sign On

Sunday 14th September 2014, 9-11am & Sunday 21st September 2014, 9-11am at the Mullumbimby Pool.

WHAT’S COMING UP?

Term 4 Sport Years 3 to 6

There are some great options for Term 4, some of the choices ARE FULL (Yoga). The others are filling up quickly. Notes went home last week and need to be returned by the end of term.

Yoga for the K-2 students is also FULL.

Year 5 Excursion - Camp Goodenough

It’s only a few school week’s away! Notes have gone home with a list of what students need to take (spares are at the office). Raffle ticket sales money is coming in to finalise payment.

We need the Medical/Consent Forms back NOW so we can let the Camp know of any special requirements. It sounds like a great excursion with lots of physical fun and team activities.
