This week the assembly will be hosted by Yr 5/6 - Mrs Mac
Everyone is invited to attend - Friday 10am

Bronze Awards go to:

Jullum – Fish – Ms Ponweiser

This Term the students have been learning about the unit "This is Me". This unit develops an understanding of who we are by exploring what we have in common with others, and what is unique. It looks at how we express ourselves and communicate with others and how we change in different ways over time. Family groupings are also studied so that the students have a better understanding of what is similar and unique about their families.

Tuesday March 17th-St Patrick's Day
We spent the day learning about St Patrick’s Day. Check out our four-leaf clover hats we made!

Dear Families,

Congratulations to our Term 1 Dance Group who were successful with their audition tape and have been invited to participate in the Far North Coast Dance Festival. Thanks to Chantelle for all her work in preparing the dancers and putting in the submission and also to Vivienne (Summa and Griffin’s Mum) for helping with dance practices. The group has also applied to be part of the prestigious School Spectacular and we should hear about that early next term.

Congratulations also to our Girls softball team who won their round 2 PSSA Knockout game against Murwillumbah Public School 17 to 1. The team has trained hard and it is great to see their work pay off. They looked fantastic in the new uniforms purchased by the P&C for last years State Quarter Final.

Good luck to the boys who play on Friday.

Last week year 6 had a homework project to design a senior’s Yr 6 shirt. The students then voted on their favourite design. Well done to the students who put in a design and showed our school value of participation. Congratulations to Natasha whose design was voted most popular and will be submitted to the T-shirt company. A note will go out to Year 6 shortly giving families an opportunity to purchase a year 6 shirt.

This week our school captains and vice captains were invited to Mullumbimby High School’s SRC induction. Asher, Nakeita, Marley and Kasey were part of the official party and were invited to the stage to present badges to the year 9 and 10 students. It was lovely to see so many ex-Brunswick students receiving badges and also being recognised for their sporting achievements.

Next week’s focus for PB4L is walking on the concrete which fits into our school rule of Be Safe. We have a number of high traffic areas that some students are running through which has caused some collisions. Steve is going to paint some lines around the edge of the walk areas to remind students of where the walk areas are. There is plenty of space to run in the playground and by running in the appropriate space hopefully we can eliminate this safety issue.

On Tuesday 24th we had a lockdown practice before lunch. One of the WHS requirements for all schools is that we do this each term. We alternate between Lockdown and Evacuation.

We did find some glitches with our new computerised attendance system and have implemented new procedures to fix any problems.

Students are warned before the practice occurs and student behaviour was excellent.

Have a great week - Mel

COMMUNITY NEWS

Practise to be a journalist

This website could definitely make practising writing and spelling more interesting for all of us. Make a newspaper clipping with your own headline and story. Your child may even start imagining themselves as a publisher or journalist. http://www.fodey.com/generators/newspaper/snippet.asp

Safetytown website – A road safety education program

This innovative website reinforces the road safety messages that children are learning at school. It provides practical strategies to help families learn how to be safer pedestrians and road users. The seven key road safety messages cover pedestrian safety, car passenger safety, bus passenger safety and safety on wheels (bicycles, foot scooters, skateboards and rollerblades). For further details, visit https://www.safetytown.com.au
