This 5 minute survey for the P&C will help direct resources and energy in 2013.

Last year the P&C raised over $29,000. Some of that money was spent on:
- purchasing interactive whiteboards (smartboards) (Only one more needed to complete ALL classrooms!)
- financing the school garden program
- purchasing Teacher Resources for every class (home-readers, magazines, books, games etc)
- supporting students in state events and subsidising school events (eg: end of year trip to Murwillumbah pool).

1. We’d love to hear your suggestions for other ways money raised could be spent:
