Dear parents of 1/2Cook and 2/3Clowes,

This term your child is completing a Connected Outcome Group (COGs) assignment called Our Families. The assessment task is for every child to produce a ‘Me’ box that your child will curate and construct and during class time.

The students will be presenting their ‘Me’ box in the Museum (Brunswick Heads Public School library) as part of the Exhibition called ‘Our Families’.

The date for the exhibition is the morning of **Thursday March 29**.

Invitations will be sent to families at a later date.

I am hoping that you are able to assist your child in supplying some items for the exhibition:

- a shoe box or equivalent
- a clearly labelled bag to store the items in until the display is built
- several photos of the family in a labelled envelope (I can photocopy them and return that day)
- several meaningful artefacts that represent the student themselves (toy, book, trophy) – we are discussing and brainstorming these ideas in class. If they are too precious, then perhaps a photo of it. You can email the photo directly to me: [Verity.Bee@det.nsw.edu.au](mailto:Verity.Bee@det.nsw.edu.au) and I will print it out.

*Please name all items that come in.*

The students will begin to curate and design their displays from **Thursday March 1** during Technology time – Thursday mornings, so remind your child to bring the items in then. (I will too!)

It would really assist the project if you could start collecting appropriate items and begin discussing the meaning and sentimentality of them.

All items will be stored securely in the library in the bag that you provide.

Any other queries, please feel free to email me.

Thanks for your assistance,

Ms Verity Bee
